Hi Wes,
Here is the final repair plan. I will get the signatures started up here.

Would you please start drafting a letter to the RF to send with this and a request for funding.
It will look like the versions that we sent for the Horse Complex and Whitewater. You should have those versions to plagiarize.

Hi Everyone~

Randy and Jon reviewed the plan. I incorporated their updates and the repair maps. Randy caught a critical error, but this plan should be good. Our total ask is now \$768,828.82.
